The four important Rules for SSSSB-2 students:

01 Always listen and follow the instruction of your Parents and Teachers and SSSSB gurus.

02 All children are equal, never feel better than others. Help where you can help and be a great example. Don't compete with others, but with your own things that can be even better.

03) Do light meditation and prayers daily. Keep your mind total focus on what you are busy. Do not do several things at once (multitask)

04) Monitor the change in your character/behavior daily before going to sleep
