🐘🐎 SSSSB Story 050a: The Elephant and the Horse in the Forest (For children aged 5 to 9)

In a beautiful forest lived an elephant and a horse. They were good friends. One day, they sat under a tree and talked in animal language.

🐘 Elephant said: *"Horse, I don't understand something. People are smart. They know what is right and what is wrong. But still, they sometimes make bad choices."*

🐎 Horse asked: *"What do you mean, dear Elephant?"*

🐘 Elephant said: *"Some people get angry too quickly. Sometimes they say unkind things. They put animals in cages and zoos. They eat animals, even though plants are good and healthy too."*

The horse thought for a moment. 🐎 Then he said gently: *"You're right, Elephant. But let's not be angry at people. Maybe they just don't understand yet. Let's do something beautiful: Let us think Positive!"*

🐎 Horse explained: *"That means: only think good thoughts. Only listen to good things. Only look at what's beautiful. And try to do good yourself too."*

🐘 Elephant smiled: *"What a lovely idea, friend Horse! I'll do that too. I won't complain or gossip anymore. I'll show people the good side of me."*

✨ When they closed their eyes and breathed gently, they felt something warm in their hearts — the light of love and understanding.
