

Loving Salutations at the
divine lotus feet of our dearest
Bhagawan Shri Sanjay Sai Baba

Dearest Prema Putras of Soul blossoms, loving
Sairams to each one of you.

- It is said that **Values** are **caught** and not taught. There are more than **80 values** and **sub values** listed. **Success** of our **learning** in **Soul blossoms class** in terms of deep impact on the **mind** and **heart** of us depend mainly on how we put in to **practice**. Let's begin with a simple yet powerful **act** in this **September** month on
"Speak Politely" and "Lovingly"
to everyone starting from our parents and family to extended communities.
Here we go from **Can I To I Can**.
OUR gratitude to Bhagawan Baba for Showing us the path.

Twam Sharanam Mama.

FEEDBACK: The class ran smoothly. Children did guided meditation with children. Chithra told them the story of Bhashmasur. Pictures were used to explain the story. Children sang be careful little eyes followed by the concentration game of negative and positive thoughts. Children sang beautiful bhajans, followed by it we showed them the power point on peace.

Pray for Bhagawan Baba:

===== End =====

If there is more time:

Sudama and Sagar both had the same qualifications and both started the same type of work in different companies after their studies. Sudama's employer was so happy with him that he was always promoted and grew up the ladder in the company where he had started working. Sagar's contracts did not shift at different companies, it always ended after the trial period. It was a Friday afternoon, Sagar's contract was also terminated at this 5th company. Sagar was sad, disappointed and angry. *"Why did I not get a job, why is my contract never extended after the trial period?"* He drove home in his car that he had received from his rich father, he was so upset that he didn't pay much attention to traffic. On his way home, he almost hit Sudama who went home from work on his bike, and who was very happy because he had been promoted, he became Manager today. Because of Sagar's reckless driving, he had almost hit Sudama. Fortunately, Sudama was always focused, so he was able to jump off his bike in time. His bike ends up in the ditch. Sagar was startled and felt guilty that he had not paid attention, he stopped his car and came quickly to Sudama and said: *"Sorry, it's my fault, I did not pay attention to the traffic, I am so unlucky today. If you are in pain somewhere, I will take you to the hospital."* Sudama said: *"No, I could jump off the bike just in time. Nothing has happened to me, just a small scrap, but I put a patch on it when I'm home. My bike ended up in the ditch"*. They went looking for the bike together, which had ended up in the ditch. They saw some fish swimming around that bike. It seemed the fish wanted to take a ride on the bike. Sagar: *"Don't worry about that bike, you get a new bike from me"*. Sudama: *"No, you don't have to waste money, why buy a new bike, when we can get it from the ditch. I hope that no fish was injured by the bicycle. Just look carefully if there are no injured fish, otherwise we have to take them to the veterinary surgeon."*
