Heart-work question 3.2; The Most important Person in your life and why this person is very important (except God), if you have more than one very important person then you can write more than one

04-Ishan Acharya (9) The most important person in my life is my parents. They give birth to me in the new world. They are my first teacher who teach me good habits show me right way. They love and care me.

01-Naitik Rijal (13) Also mention why the most important person in my life is my mother. This is because she gave me birth, after facing, many difficulties and pain which could even lead to death. Then, she always takes my support and helps me in each and every circumstance. As she has done and fulfilled all her responsibilities, it is also my responsibility to love and take care of her so, this is the reason I love my mother the most.

02-Pari Pokharel (13) The most important person in my life are my parents, because they always help me in difficulties, they always teach me positive manners, they always make us happy, They always teach us to follow right path etc.

03-Prabhu Pokharel (9) The most important person in my life are my family because they are who always support me and help me in difficulties.

06-Shikshya Rijal (17) The most important person in my life is my father. He is my hero and a daughter's first love. He teaches me the ways to be better. He helps me in every step at life. He trained me in every difficulty and he is precious gift of god for me.
