STORY 002: PRASHANT'S INFLUENCE ON RAHUL'S BEHAVIOR

Part 1: Rahul, Ranu and their parents

There was a family in one of the villages. The family consisted of a father, a mother and their two children: Rahul and Ranu. Rahul was 10 years old and his little sister Ranu was 7 years old. The parents were unable to satisfy both themselves and their children. Mother worked as a housekeeper at the neighbor's house. She also helped one of the grandmothers who was very old, because the grandmother was unable to take care of herself.

Both children, Rahul and Ranu, were very good and respect their parents. Little Ranu was so helpful, helping her parents with every job.

Rahul was also helpful, helping his little sister with her homework. Rahul and Ranu meditated and prayed daily and were therefore calm and confident. Father worked in a shop as an assistant to the store owner. Both children studied at school about a 10-minute walk from their home. Both children were good in study. The teachers also praise their good performance at school. One day father had gone for the work, the children were ready for the school at that moment mother became sick. She had the terrible headache and could not take the children to the school. Rahul was worried because mother was unable to take them to the school and the sister was small. Ranu was small but very clever and brave. She said: *"Don't worry, first of all we have to take care of our mother and then we think about the school."* She ran to the neighbor and said that mother was sick. The neighbor came and helped them and took care of the mother. Sometimes the mother got a little relief and thanked to the neighbor. The neighbor told: *"Thank your daughter, she called me and then I came to know about you."*

Part 2: The negative influence of Prashant on Rahul

The neighbor was helpful, and she took the children to school.

They reached late at school. The teacher asked why they were late. They explained that their mother was sick. Rahul was very worried about their mother and all day he was sad during class. When the teacher saw it, the teacher felt pity on him and the teacher said: *"Don't worry, God is with you."* When the class was over, they reached home quickly and saw that the mother was fine and preparing Tiffin.

After that, Rahul slowly behaving rudely with the parents because he learnt this from his friend Prashant. Rahul started to ask money to the parents to buy unnecessary things. If the parents deny he fought with them. The parents became worried because of his behavior and went to the school and talked with the teacher about his behavior. The teacher assured them that they will find out why Rahul act like this. The teacher found out it was because of the influence of Prashant who was the best friend of Rahul. Then the teacher met with the parents of Prashant. The parents of Prashant said that they had given him what he wanted and fulfilled all the desires what he wanted. So, now a days we do not have any work to do, we all are at home. He wants what he was getting before.

Part 3: The positive influence of Prashant on Rahul

The next day at school the teacher asked to Prashant what he wants from his parents. Then Prashant said: *"My parents were giving everything to me what I wanted but now a days they deny giving anything."* Carefully the teacher told: *"Do your parents have any work now a days?"* Prashant replied: *"No, teacher, now a days they are at home every time."* The teacher said: *"Look, when your parents were at work, they saved money, now a days they are at home, so they have no work. Without work, who will give salary to them?"* Prashant understood that what he was doing was wrong and that he was misbehaving with the parents. Prashant felt guilty and said to the teacher now he understood and will say sorry to the parents after he was back at home. When Prashant went back to home, he looked at the parents and then he said sorry and felt gratitude to them. Rahul, who learnt the wrong behaviors from Prashant, said: *"My best friend Prashant, I often ask money to my parents but only sometimes they give me little. But your parents give you everything what you ask."*

Then Prashant felt guilty, because of him Rahul learnt these bad habits and said: *"You were a very good boy, but because of me you became a little bad, my best friend. I was wrong to always ask my parents for money, but now I understood it was my fault. You also have to change."*

Rahul said: *"Why do I have to change, you taught me to always ask my parents for money."*

Prashant explained Rahul about the rude behaviors he had unknowingly, but now he understood that it was wrong, and he changed himself. After listening carefully to his best friend, now Rahul also understood his mistake. When Rahul was back at home, he said to his sister Ranu who was always taking care of the parents: *"My dear sister, why did you never tell me about my bad behaviors."* Sister Ranu said: *"You are older than me, I tried to say to you about it but you became angry with me and never listen to me."* Rahul said: *"Forgive me my sister, I didn't listen to you, if we listen to our parents, they would not be worried and sad with us."* Then Rahul started to help the parents and helped his sister Ranu with her homework.

Then the parents of Rahul and Ranu said: *"Now we feel proud with our children because now our children became good."* At the mean time the neighbor came to Rahul and Ranu's home to see the mother. When she saw Rahul change, she also became very happy.
