How to Play

- The team must **act out or solve the task**.
 - Example: If the slip says “Do today’s math problem,” the teacher gives a quick math question.
 - If it says, “Plan a skit,” the team quickly outlines a few-line skit.
- Teams earn points for completing tasks correctly.

 - **Past File task** (reduces backlog).
 - **Present File task** (keeps today clear).
 - **Wise File task** (prepares ahead).
