🇬🇧 Physical Class Game – Story 080 – My Talent!

Space: Can be played easily in the classroom.

Step 1 – Introduction

The **SSSSB Guru** says: “Everyone has talents. Some people have talent in **sports**, others in **drawing, singing, helping others, studying, or organizing**. Sometimes we also discover new talents through **patience, practice, and perseverance**.”

Step 2 – The Game

The teacher calls out different talents.

If a talent **matches the child**, they do a **small action**.

Examples:

Sports → make a quick sports movement (running or jumping)

Drawing → pretend to draw something in the air

Singing → sing one short note: “la la”

Helping → raise your hand

Learning / studying → pretend to read a book

Leadership → point forward like a leader

Step 3 – Talent Moment

The teacher asks a few children: “*What is your talent?*”

The **SSSSB student** briefly shows it.

For example:

- a sports movement
- a dance step
- a funny voice
- a quick math answer
