

## How to Play

### 1. Story Circle

- Teacher narrates Kibibi's story.
- Children sit in a circle with two baskets in the middle:
  - Upset Basket (cards with words like *Jealousy*, *Anger*, *Shouting*, *Sadness*).
  - Kindness Basket (cards with words like *Helping*, *Sharing*, *Smiling*, *Saying Thank You*).

### 2. Act It Out

- One child plays Kibibi, others play Mama, Father, Mbemba, and Josiane.
- When Kibibi gets upset, she picks a card from the Upset Basket and acts it out (e.g., shouting, refusing to help).

### 3. Peaceful Change

- Mbemba invites Kibibi to the "SSSSB Class."
- Kibibi then picks a card from the Kindness Basket and acts it out (e.g., helping Mama, smiling, saying "Please").

### 4. Kindness Chain

- After Kibibi becomes kind again, each child in the circle picks one Kindness Card and shares how they can practice it at home or school.
- Example: "I can share my toys," "I can say thank you," "I can help my brother."

**Joyful Ending:** "Kindness returns — peace begins!". Children clap and form a "Kindness Circle" by holding hands and smiling at each other.
