

How to Play

1. **Circle Time:** Everyone sits in a circle. Two children will volunteer.
2. **Question Round:** Volunteers ask the group:
 - “What do students do in SSSSB classes?”
 - “What values do they learn?”
3. **Answer & Action:** Each child who answers must also show it with a quick action:
 - If they say “singing,” they sing one line from their favorite bhajan.
 - If they say “games,” they act out a fun move.
 - If they say “stories,” they share a short value (like honesty).
 - If they say “confidence,” they stand tall and speak clearly.
 - If they say “kindness,” they say something nice to a friend.

Celebration: After everyone has answered, the group claps together and says: “That’s the SSSSB spirit!”
