Heart-work question 5.3 Make and send your previous Heart-work (for the students who have previous heart-work to send) All the previous lessons you can find on our website.

Q 07-Roshani: What thing have made Sudama successful in his life?

Answer from 01-Rohita: He has patience, was positive, had Soul Blossom classes, got good Education, has very good personality.

Q 02-Ankita: Are the evils and devils really afraid by Gods and by the divine mantras and if so why they are afraid?

Answer from 05-Samridha: Yes the evils are really afraid of Gods and divine mantras because Mantras have influence over the mind and body. Evils have the thought to destroy where gods take over victory. As we have listened in many stories that god took over victory on evils. As we know when we chant mantras we feel safe and have fresh mind with positivity. So the mantras removes the negativity. So I think the evils are really afraid of Gods and divine mantras.

4.1 The wealthy businesswoman's wallet:

Answer A: 2 x Return it to the businesswoman: 2x (06-Sampada, 07-Roshani)

Answer B: 5x Give to people in need: 5x (05-Samridha, 08-Vinita, 04-Amrit, 01-Rohita, 02-Ankita)

Answer from 07-Roshani (Give it back to the businesswoman)

- We cannot take others property, or something what is precious.

If we take it will give a lot of problems:

- like the owner will think we are a thief,

- or she will think we are the person who is dependent on others and doesn't work.

- and think we are selfish also

Answer from 02-Ankita (give to peoples in need): If I give it back to her then she will spent those all money for unnecessary things. If I will serve the poor and needy people, they will be very happy and I will also get a lot of blessings and good wishes from them. "Serving to mankind is serving to God"
