

🇬🇧 English Version – Physical Class Game – “Help Relay” – Game079

🇬🇧 English Version – Physical Class Game – “Help Relay” – Game079

Goal: Children learn that helping, teamwork, and good manners are important.

Story rule: All participants have a sports injury today, so they can only move using one leg (hopping).

Materials : Prepare 3 boxes with different items:

- 1 School class box, Example items: book, pencil, notebook.
- 2 SSSSB class box, Example items: Sai picture, paper, small teaching materials.
- 3 Home box, Example items: cloth/sponge, empty cup, small household item.

Stations

1] Help the Teacher (School Box), The child hops to the school box, takes a book, and brings it to the teacher's table.

2] Help in the SSSSB Class (SSSSB Box), The child hops to the SSSSB box, takes an item and helps another child carry it together to the next place.

3] Help at Home (Home Box), The child hops to the home box, takes a cloth or cup, and either cleans a table or places the cup on a table.

Game Rules

- 1 Divide the children into teams.
- 2 Every player moves using only one leg (hopping).
- 3 Each player completes station 1 → station 2 → station 3.
- 4 After finishing, the player hops back and tags the next teammate.
- 5 Continue until all players have participated.

Winners

Fastest Team – The team that finishes first.

Values Winner – The team or child who shows the best helping attitude, manners, and teamwork.
