🇬🇧 SSSSB Story 072b – Spend, Save, Share, or ...? [10+]

After school, three students were sitting together, talking about money and what they do with it.

Student 1 said proudly:

*"Everything I receive or earn, I spend. I use part of it for myself and give another part to my family. I don't give anything to others—why should I? It's mine."*

Student 2 smiled and replied:

*"I do it differently. I use part for myself, give part to my family, and donate part to help others. I have heard that you receive blessings when you share with others."*

Then they both looked at Student 3 and asked:

*"And you? What do you do with the money you receive or earn?"*

You are Student 3.
