Prophet Jesus

A photo of Jesus, aged 29, materialised by Baba
A picture of Jesus created by Sai Baba just before Christmas 1984. After first being given to an Argentinian, Sai then donated one big one to Venezuela during the Christmas celebrations of 1987. He also allowed six copies to be made, which He then blessed and donated to various Countries around the world: Spain, Denmark, England, New Zealand, Mexico and Argentina. He also donated some small copies to Italy to be given to devotees. Baba said that this was a true likeness of Jesus and that He was 29 years old in that photo. Many 'second-generation' photos have been done from the first ones.

🇬🇧 [Years 1973, Mahasivarathri Day] Dr. Hislop: ... I was beside Baba. As we passed a bush, Swami (Parthi Sai) broke off two twigs, placed them together and asked me, *"What is this, Hislop?"* *"Well, Swami, it is a cross,"* I answered. Baba then closed his fingers over the twigs and directed three somewhat slow breaths into his fist, between thumb and forefinger. Then he opened his hand to reveal a Christ figure crucified on a cross, and he gave it to me. Swami said, *"This shows Christ as he really was at the time He left His body, not as artists have imagined Him or as historians have told about Him. His stomach is pulled in and His ribs are all showing. He had no food for eight days."* I looked at the crucifix, but found no words. Then Baba continued, *"The cross is wood from the actual cross on which Christ was crucified. To find some of the wood after 2,000 years took a little time!..."*

🇬🇧 Three Stages of Self-Realization

(I am the messenger, I am the Son, I and My Father are One)

Jesus dedicated his life to serving humanity and referred to himself as the 'Messenger of God'. He initially searched for the Divine in the external world but eventually realized that God was within Himself. For twelve years, He meditated and engaged in spiritual exercises, questioning whether He was simply a messenger or part of God. He traveled to India, Tibet, Iran, and Russia, living as a beggar or sanyasi. His time in the Himalayan monasteries led Him to realize that He was the Son of God and that the light of God was within him. Jesus initially saw Himself as a messenger of God while serving people but later realized that God could be found within oneself. He spent 12 years in spiritual exercises and meditation to find God within. After his travels to India, Tibet, Iran, and Russia, he began to feel a closer bond with God and announced himself as the Son of God. He eventually realized the Oneness of all things and declared, "I and My Father are One".
