SSSSB Story 071a – Finish Today or Wait Until Tomorrow? (5–9)

There was a 7-year-old child.

The child had many things to do: homework, helping others, and helping at home.

The teacher asked:

“Will you finish everything today, or will you leave some things for tomorrow?”

🧐 The child said:

“I will do some things today and the rest tomorrow.”

😊 **What would you do?**

- Do you finish your work today?
- Or do you leave some things for tomorrow?

Let's think together!
