

🇬🇧 English Version – Physical Class Game – “Differences Between Village Life and City Life (For ages 10 and up)” – Story 068

Set Up: Divide the class into two teams: Village Team and City Team. Each team gets a few props (toy animals, books, hats, bags, etc.). The teacher acts as the Show Host.

How to Play

- Round 1 – The Daily Race
 - Each team acts out how they go to school.
 - The City Team pretends to ride a bus, honking and waving at cars.
 - The Village Team walks slowly, greeting cows and birds along the way.
- Round 2 – The Shopping Spree
 - The City Team pretends to shop in a big mall, trying on fancy clothes and arguing over prices.
 - The Village Team acts out buying vegetables at a small market and chatting happily with the shopkeeper.
- Round 3 – The Noise Challenge
 - The City Team makes city sounds — cars honking, people shouting, phones ringing.
 - The Village Team makes village sounds — birds chirping, cows mooing, wind blowing.
 - The teacher randomly says “QUIET!” — whichever team freezes first gets a point!
- Round 4 – The Holiday Swap
 - Each team pretends to visit the other’s home for a day.
 - The City Team struggles with fetching water and feeding chickens.
 - The Village Team gets lost in elevators and traffic jams.
 - Everyone laughs and claps for the most creative acting.
